Speaking Topics

Keynote: Love your work!

Let's talk about *you!* What do you love doing? In this session we'll discuss how you you connect your passions to your workplace, stand out, accelerate your career, and love your work!

Workshop: Agile Decomposition

In this three-hour workshop we'll take a practical, hands-on, deep dive into approaches to story decomposition, the art taking epics and making them into small, valuable slices of business focused work.

Dancing Inside the Waterfall: Borrowing agile concepts to benefit your waterfall project.

In this one-hour talk we'll discuss how waterfall practitioners can use agile practices – without mentioning agile! – to enhance and improve projects.

Bio

Ryland Leyton (CBAP, PMP, CSM, SPC4) is a veteran technology professional of more than 20 years experience.

An author and speaker who loves to inspire, he has been teaching for more than a decade. His subjects include career development, aligning your work with your values, agile software development, and business analysis.

Ryland is a core team author of the V2 of the IIBA Agile Extension to the BABOK, and the IIBA Agile Analysis Certification.

His own publications include *The Agile Business Analyst: Moving from Waterfall to Agile* and *It's About Your Career: Skills for a Lifetime of Loving Your Work!*
